

Welcome to Gravenhurst - The Gateway to Muskoka!

Located at the southern entrance to Muskoka, Gravenhurst was the first incorporated town in the region. Since the late 1800s, Gravenhurst has welcomed people to Muskoka and invited them to explore all that our area has to offer. As the home port of the oldest operating steamship in North America, we are proud of our water based heritage.

Today we balance our natural beauty with a spirit of entrepreneurship, a passion for outdoor recreation and opportunities to create your own experience! Gravenhurst is walkable, welcoming and connected. Visit our numerous tourism attractions, explore thousands of kilometers of roads, sidewalks and trails, or find adventure on hundreds of lakes.

Our community has a year round population of around 13,000 residents and a seasonal population of 11,000. With 3 public schools, a high school, adult learning centres, a well stocked public library and many service groups to help build community spirit, we are proud to be a growing community. Yet you will still experience the charm of our small town roots and citizens who care about each other. This map will help you find your way around our community and make you familiar with what is in our urban core. From beaches and boat launches to parks, playgrounds and trails, check out our information and start making memories! Gravenhurst is a lower tier municipality - that means we look after most things in town from roads and sidewalks to parks and trails - however the District of Muskoka oversees Garbage, Recycling, Water, Sewer and major road maintenance. The District of Muskoka Office is located at 70 Pine Street in Bracebridge and can be reached by calling 705-645-2100 or online at www.Muskoka.on.ca.

To reach the Town of Gravenhurst Offices you can call us at 705-687-3412 or visit www.Gravenhurst.ca for a variety of online services and information!
