

Demolition Permit Documents:

Approvals Required

1. If you are demolishing or rebuilding an existing structure you may require **planning approval** first. Please contact the Planning Department at 705-687-3412, ext., 2908.
2. You may need approvals from other Utilities/Agencies. For example, Hydro One, Veridian, Town of Gravenhurst Public Works and/or Union Gas.

Demolition Permit Requirements

1. Site plan showing all structures, existing and proposed structures, wells, and septic system, with all dimensions and setbacks.
2. Letter of authorization to demolish requires the following:
 - if applying on behalf of a registered owner, or
 - if you are a new property owner a copy of the transfer deed, or
 - if the registered owner is a company or corporation, an article of corporation showing who has signing authority.

Environmental Impact – when demolishing your structure please adhere to the Town of Gravenhurst Burning Control By-law

Please contact our Finance Department 705-687-3412, ext. 2227 or ext. 2257 to inquiry about property tax adjustments and the Section 357 Adjustment application process.
