Muskoka Steamships & Discovery Centre

Step back in time and learn about Muskoka's fascinating history at the Muskoka Discovery Centre and then sail aboard a comfortable ship on Lake Muskoka. A lunch onboard *Wenonah II* is the perfect way to explore Muskoka while enjoying the commentary and a delicious 2 course meal in the dining room of the ship.

The Discovery Centre offers a one-of-a-kind, world class museum experience that inspires curiosity for people of all ages. New exhibits NOW OPEN: The award-winning *Misko-Aki: Confluence of Cultures* presents the Indigenous presence in Muskoka for more than 10,000 years; *Evolving Muskoka: Life on the Edge of the Shield* provides insight into the changing landscape and development of Muskoka; and *Wanda III: Steam to Green* shows how one of the few surviving steam yachts can represent both the bygone steam era and a symbol of sustainability.
